What is the VI-SPDAT?

Implemented by the Coordinated Entry System (CES), the Vulnerability Index-Service Prioritization Decision Assistance Tool enables providers to fairly and uniformly provide resources to those in need based on:

1. Level of need
2. Score on the assessment
3. Available housing resources

What happens after the assessment?
After completing a VI-SPDAT, you may be assigned to a Housing Navigator, based on need, scores, priorities, and staff caseload.

The Coordinated Entry System (CES) is not an emergency solution.

- Completing an assessment is not a guarantee of housing
- Make sure you give the staff completing your assessment any helpful contact information so that we may be in touch with you.
- While you wait to be assigned a Housing Navigator, you can start collecting your necessary documentation (CA ID, SS card, Birth Certificate if applicable, DD214 if applicable)

If you need immediate shelter: Please call 2-1-1 for a list of open emergency shelters or safe havens in your area
