

HOUSING & MEDICAL SERVICES FOR HOMELESS SENIORS

Do you know a senior who is homeless?

St. Paul's PACE and Wakeland Housing & Development Corporation may be able to help. Working together, we have created an all-inclusive housing and medical program specifically for homeless seniors.

Approved individuals will receive housing and medical support at a property opening Spring 2017

To qualify, seniors must be:

1. 55 years of age or older.
2. Homeless OR exiting an institution where they were homeless prior to entry.
3. Have medical needs that require daily medical support.
4. Other criteria may apply.

Preference for individuals living in the City of San Diego

Refer San Diego Seniors today! If approved they will receive:

Low income housing which includes:

1. Project based section 8 subsidy.
2. Range, oven, microwave, refrigerator.
3. Private bathroom.
4. Furnished interiors.

Medical care, which includes (as needed):

1. Doctors and medical specialists.
2. Homecare as needed.
3. Transportation to medical appointments.
4. Physical, occupational & behavioral therapy.

Seniors will need Medi-Cal with no share of cost to receive medical care at no cost.
